

MATERIAL HANDLING

Freeman is the exclusive provider of material handling services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. You have two options for shipping your advance freight - either to the warehouse or directly to show site. Material handling charges will automatically be applied to your account upon receipt of each shipment. It is not necessary to return this form to receive material handling services.
