Show management provides general security of the show floor and surrounding exhibit areas. Perimeter guard service will be active on a 24-hour basis including move-in, show days, and move-out, and vaults will be provided at the show for our Exhibitors to store merchandise after show hours and during move-in. JA New York Show Management makes every effort within our purview to protect Exhibitors' merchandise and displays.

Exhibitors are solely responsible for the care, custody, and control of their own exhibit space and merchandise. Exhibitors should carry property insurance in order to cover your merchandise and personal property in the event of loss or damage. Show Management, the Jacob K. Javits Convention Center, agents nor their employees assume any responsibility for property loss or theft.

Below we outline clear guidelines and best practices for keeping yourself, and your merchandise, safe and secure.

ID CHECK AT SHOW ENTRANCE

In order to create a safe and secure selling environment for the JA New York community, we will be checking all JA New York badges against government-issued ID for anyone entering the show at all times throughout our event, including on set-up days. Please be prepared to bring a physical copy of an ID with you whenever you enter the show floor.

The safekeeping of your exhibit material and merchandise can only be assured by you and your staff

Protect your product from theft by hiring a private guard or ordering security cameras.

Never Leave Merchandise Unattended!

SECURITY TIPS AND INFORMATION *CONTINUED*

PROTECT YOUR MERCHANDISE DURING MOVE-IN & MOVE-OUT

It is important that personnel from your company be present at your exhibit space during the vulnerable move-in and move-out periods.

- Never leave your merchandise unattended. Freight doors in the back of the hall are open, various vendor staff are moving throughout exhibit areas with materials, and personnel are working in exhibit areas creating additional security risks. The show's security force is not responsible for individual displays. YOU are responsible for the protection of your own exhibit when your merchandise is being unpacked or repacked, as well as all other times during the show.
- Do not leave your exhibit space during set-up or breakdown periods. It is during these vulnerable periods that most problems are encountered. At the close of the show, immediately remove all merchandise and be certain advance arrangements have been made for the dismantling, packing and removal of custom displays.

ALWAYS BE AWARE OF SHOPLIFTING

The primary cause of losses is shoplifting.

If you are the victim of pilferage or observe someone shoplifting merchandise, immediately report it to the Security Headquarters Office on level 1 (meeting room 1C01) in person or by calling (917) 560-4225. This office will be always staffed. The security supervisor will quickly respond and see to it that all necessary reports are completed.

You Can Prevent Shoplifting:

- Have enough people to properly staff your exhibit space during peak traffic times.
- Do not display too much merchandise at one time.
- Report any instances you think might pose a security problem to guards or show officials. Report people in exhibit areas without proper badges, no badge at all or anyone you may know to be registered improperly. Never show merchandise to anyone without a badge.
- Use our complimentary vaults overnight to securely store your merchandise. Do not drape off your booth after show close and leave all your merchandise out or under a sheet.

UTILIZE SAFES, VAULTS, AND PRIVATE GUARD SERVICES

Use the vault facilities at night for your merchandise. Do not leave any jewelry in your showcases overnight, unless you have private guard service.

- Exhibitors who require private guards must employ the [official security contractor](#). It is essential to overall security that the official contractor handles the employment of all guards. The use of unauthorized guards, armed or unarmed, is strictly prohibited. Exhibitors who do not comply will be in violation of their Agreement for Exhibit Space and will run the risk of being closed and removed from the show. Vault Hours Schedule is located on the following page.

VAULTING INFORMATION & PROCEDURES

VAULTING AT JA NEW YORK EXPLAINED

A vault area (secure room) is provided for storage of merchandise from one day prior to the show opening until the afternoon following the close of the show. The vault is manned by carefully selected armed personnel. While all merchandise is handled cautiously, it is essential that you make certain the locks on all pieces checked into the vault are closed and secure. Cardboard cartons or other means of packaging will not be accepted at the vault. The hours of the vault (subject to change) are detailed in this section. Merchandise will not be accepted at or relinquished from the vault without an Exhibitor badge and corresponding photo I.D.

- We suggest you proceed to Exhibitor Registration and pick up your badge before delivering your merchandise to the vault. If that is not feasible, we will accept your merchandise with an ID. BUT you will be required to present your badge when removing your items from the vault.
- During vault check-in, you will be issued our numbered two-part vault claim check. One part is attached to your bag/case, and the other is the redemption portion that is handed to you for receipt of your merchandise. Keep the redemption check in order to pick up your merchandise.
- To withdraw your merchandise you will need your redemption check, Exhibitor badge and photo ID. You must sign the redemption check in front of the armed personnel. Please remember your signature must match from the night before – i.e. the same person who drops off in the evening needs to be present at pick-up in the morning.

REMEMBER

- No merchandise will be released without a redemption check, Exhibitor badge, and signature comparison.
- Exhibitors who remove their merchandise from show site assume all responsibility for any loss.
- The Agreement for Exhibit Space requires you be ready to conduct business when the show opens each day. Late opening violations are serious infractions of show rules. Please be sure to get to the vaults in sufficient time to meet opening schedules.
