Exhibitors may use nothing larger than a two-wheeled baggage cart (plastic or rubber wheels only) to move in their items. Hand carts & dollies are not permitted. Unloading requires one person to remain with the vehicle at ALL times. Product must be unloaded within a few minutes and the vehicle must then be moved.

Free Porter Service to Ease Your Move-In

We want to ensure you have a smooth load in, so we are paying for labor to assist you with your heavy lifting. Just follow the Public Safety officers' directions to park in the Inner Roadway in front of the Javits Center, and then go to the Labor Desk inside the sliding doors to sign up for the complimentary service. Please note during peak move in times (11 AM - 2 PM) there may be 25–30-minute wait, so plan accordingly. You should also still always have a second (or third) person with you for load in, in case one of you needs to move the car while the other waits with your supplies to be brought into the show.

Privately Owned Vehicles (POV)

Only a P.O.V. is allowed for hand carry and cartload service.

Truck Deliveries / Pick-up

For deliveries requiring loading dock access, please use the address for the new truck marshaling facility, which is 369 12th Avenue, New York, NY 10001.

A POV, or Privately Owned Vehicle, is any vehicle primarily designated to transport passengers and not cargo or freight. Qualifying vehicles include pick-up trucks, passenger van, SUV, taxi, or a box truck less than 17' in length.
